

Our Guarantee!

The Timmermann family is very proud of the horses we have sold for the last 50+ years. We have always taken pride in professionally matching horses with their future owners.

We will guarantee our horses for three months for any pre-existing lameness or personality conflicts. I'm sorry, but we cannot give a money back guarantee but we will gladly replace the horse with a horse of the same value.

The reason we have stayed in business is because of our high standards to sell quality horses into the proper homes. We have a great rapport with our customers, which has kept us in business for over 50 years.

Our prices are firm, however, if you do not feel you will need a guarantee, we will discount the horse 5%. All clients that purchase a horse from us will have a 10% discount in our fully stocked saddle shop.

All horses will come with up-to-date shots and worming, a current coggins test, and any foot work that needs to be done.

Need a horse shipped out of state or out of the country? We will gladly make the arrangements for you at the buyer's expense.

Thank you!
The Timmermann Family
